BEACH CLUB ESATE MAKE ALL YOUR DREAMS COME TRUE

“They have a package of specific vendors to use and/or not use. We used their flower people, their photographer and their videographer. The DJ we got on our own. They are amazing, everything from the cost, to the food, down to the bridal attendant and maitre de.” - Jennifer

“The Beach Club Estate was the perfect location for our wedding. It was one the first places we visited and we were immediately sold! Our banquet manager Frank Amantia was so welcoming and such a gentleman. He made us feel like we were part of a family and this is what weddings are at The Beach Club; it’s a family affair.” - Catherine

“Had a great experience with the Beach Club Estate. Frankie our Maitre’d did a great job keeping everything everyone organized and on time. The food and service was great too !!” - Courtney

“The staff was amazing! Food was incredible! They made my wedding better then I ever dreamed!” - Samantha
